

ILFORD ISLAMIC CENTRE FUNERAL SERVICES PROCEDURES

Dealing with funerals can be distressing for the family. Ilford Islamic Centre is here to help in any way possible. The Masjid is available for hosting Janaza prayers at any time subject to sufficient notice being given. We provide a Ghusl service - this includes provision of Kaffan. We provide an ambulance and hearse service so we can collect the deceased from the hospital and transport it to the cemetery or the airport if the body is to be taken for burial overseas.
